At Chosen Infertility, our goal is to support, educate, and build a safe community for those within any part of the infertility journey. With an ever evolving network, the Chosen Team has linked arms with professionals, businesses, and organizations in the Metro Detroit area to provide greater resources that benefit our community battling infertility. These resources range from monthly support socials (online) to financial grants. At Chosen Infertility, our goal is to support, educate, and build a safe community for those within any part of the infertility journey.

“

When we applied for the Chosen Infertility Grant, our savings accounts had been drained and our credit cards were nearly maxed out. Without the help, we would have had to postpone the journey for the foreseeable future. Thankfully, as recipients for the grant, we were able to continue our journey and we are expecting September 2023!

Lauren & Mikayla, Grant Recipients
